

REMARKS

Applicant respectfully requests that the foregoing amendments be made prior to examination of the present application.

Claims 1-49 are requested to be cancelled. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

Applicant submits this second preliminary amendment to ensure cancellation of claims 1-49. Applicant notes that the remarks accompanying the preliminary amendment submitted November 2, 2006 indicated that claims 1-49 were requested to be canceled but failed to explicitly request cancellation in the amendments to the claims

Respectfully submitted,

Date: December 13, 2006
